State Ministry of Women and Child Development,
Pre-School & Primary Education, School Infrastructure & Education Services

Vacancy

Post of Monitoring & Evaluation Consultant

The Project

The Government of Sri Lanka (GOSL) in collaboration with the World Bank (WB) is providing program support for Early Childhood Development (ECD) through the State Ministry of Women and Child Development Primary and Pre School Education, School Infrastructure and Education Services (SMWCD). The GOSL currently has an embryonic ECD program (framework) encapsulated in different policy and plan documents, including the National Policy on Early Childhood Care and Development, the National Plan of Action for Children of Sri Lanka. This advertisement is to fill the position of Monitoring and Evaluation Consultant for the ECD Project.

Post of Monitoring & Evaluation Consultant

Required Qualifications and Experience:

- A Bachelors Degree in a relevant field recognized by the University Grants Commission.
- A minimum of ten years of work experience in relevant development work at the national level in providing advice and hands-on experience in designing, implementing, monitoring, and evaluating development projects, including log-frame, Management Information Systems (MIS), and related Monitoring and Evaluation (M&E) systems.
- Experience in foreign-funded development projects is preferable.

Professional Competencies:

- Ability to read and write excellent English, and type project reports in English for regular and continuous presentations to all stakeholders including GOSL, MWCD, World Bank, etc.
- Good quantitative and analytical skills
- Ability to interact with staff in the relevant agencies.
- High level of computer literacy, including Word, Excel, email, and the internet.
- Strong communication skills and good interpersonal relations.

Age : Below 65 years
