

We are looking for an experienced Senior Front-End Mobile Engineer

SDB bank is a licensed specialized bank regulated by the Central Bank of Sri Lanka, with a listing on the Main Board of the Colombo Stock Exchange and a Fitch Rating of BB + (Stable), maintaining 94 branches islandwide and over 5000 inter-bank network ATM points, offering a contemporary range of banking plus financial services to its Retail, SME, and Business banking clients. Guided by its maxim 'Where you're valued', plus the bank's reputation as the apex entity in the development banking and SME space, a sector accounting for a substantial 50% of Sri Lanka's total GDP, the bank offers equal support to individual, business-oriented, and development-focused goals, transcending what is purely transactional and valuing each customer for their uniqueness as individuals. The bank's ascendancy as one of Sri Lanka's top-rated modern banks with considerable brand value has been marked by numerous accolades including being placed in the Top-50 in 'Sri Lanka's 100 most valuable brands' list for 2020 by global brand valuation consultancy Brand Finance; in the Top-50 in LMD's Inaugural Edition of 'Most Awarded'; and in the coveted 'LMD 100 - Sri Lanka's Leading Listed Companies' for the period 2019/20.

We are in search of individuals who are passionate and have experience in the Digital Technology field.

Duties & Responsibilities.
