

Are you driven by ambitious goals for your future?

Seylan Bank, one of the most progressive banks in the country, is seeking a competent and forward thinking person to fill the following vacancy. This is your opportunity to join our dynamic team and move towards your career goals.

Senior Manager – Corporate Planning

Job Responsibilities

- Coordinating and monitoring of implementing action plans related to strategic initiatives by Empowered Measured Owners/Accountable Sub-Owners and the entire Bank while providing on – site leadership for project teams by building and motivating team members to meet project goals.
- Full corporate planning ownership: successful project delivery will include full implementation from initiation to deployment and handling several projects simultaneously pertaining to the Bank's strategic direction.
- Manage all aspects of multiple related projects to ensure that the overall program is aligned and directly supports the achievement of corporate objectives.
- Understand interdependencies between technology, operations, business needs, project & program management principles, methods, and techniques.
- Develop and deliver progress reports, proposals, required documentation, presentations, and status reports with regard to project milestones, deliverable dependencies, risks, and issues.
- Ensure regular timely status updates are obtained from Strategic Business Units to provide progress at the Steering Board Committee meetings.
- Ensure to follow up on the commencement and completion of the activities so as they are achieved within the stipulated timelines.
- Assist to identify business functions with low execution ability and provide or recommend specific additional support.
- Be the SPOC for foreign relationships and support the necessary due diligence process (if required).
- Closely work with foreign and local consultants pertaining to corporate planning initiatives for the Bank
- Uptake the sustainability strategy development and implementation plan while improving knowledge of the Bank's ESMS policy and CSR initiatives.

The Person

- Minimum 5 - 6 years of experience in banking of which 4 years in credit operations.
- Full/part qualifications in Auditing/Banking from a reputed institution.
- Professionalism, dependability, integrity and trustworthiness combined with a cooperative attitude.
- Highly motivated self-starter with the ability to multi task and complete assignments within the deadline.
- Excellent project management, analytical, interpersonal, oral and written communication skills.
- Ability to thrive in a dynamic team environment.
- Ability to travel outstation and work long hours as and when required.
