

WE ARE
HIRING

TECHNICAL OFFICER

Electrical and Electronic Engineering

JOIN OUR TEAM

The Sri Lanka Institute of Information Technology (SLIIT) is a pioneer in the higher education sector of Sri Lanka and offers undergraduate and postgraduate degrees in a wide range of disciplines (www.sliit.lk). It is committed to providing the best student experience through a dedicated group of academic and non-academic staff. The main campus located in Malabe has excellent academic and recreational facilities.

The Faculty of Engineering at SLIIT is the academic home of more than 90 staff and a growing cohort of undergraduate and postgraduate students. The faculty offers cutting-edge degree programs and encourages a strong research culture. The engineering laboratories are an integral part of the experiential learning environment of our undergraduate and graduate students and support the research activities.

We are inviting applications from individuals with strong laboratory experience for Technical Staff positions in the Department of Electrical & Electronic Engineering.

The required qualifications are:

- A bachelor's degree in engineering technology or an NVQ 6 level qualification in a relevant engineering/science- based discipline from a recognized institution. Candidates with NVQ 4-5 level qualifications and substantial experience will be considered.
- Excellent hands-on experience with electrical/electronic engineering laboratory equipment and tools, computers and software, and maintenance of equipment.
- Good communication skills in English and experience in working with students.
- Demonstrated organizational, multi-tasking and interpersonal skills.

SLIIT offers a competitive salary and other benefits commensurate with qualifications and experience.
