

Sampath Bank

WE PRESENT YOUR FUTURE

The Opportunity To Match Your Potential With The Best Bank To Work At

For over thirty years we have defined the trends in retail and commercial banking, growing into one of the most forward-thinking banks in the country. Today, we take great pride in our offering of progressive, state-of-the-art banking solutions, which zealously maintain Sri Lankan values. We believe that our innovative spirit and our dynamic Sampath Team are the twin forces that drive our success.

DATA SCIENTIST

Requirements:

- A Bachelor's Degree/Master's Degree in Computer Science/Engineering/Data Science/Statistics/Information Technology OR an equivalent qualification from a recognised university
- A minimum of five (05) years industry experience in Business Intelligence (BI) field, as a Data Scientist OR Data Analyst

Key Responsibilities:

- Manage and plan end-to-end, in-house analytics and Data Science projects
- Build analytics and predictive models and systems by ensuring data quality, integrity, and the Bank's best practices
- Manage, guide and develop the Data Science Team to accomplish the Bank's strategic objectives
- Manage Data Science related third party outsourced projects and co-ordinate with all stakeholders
- Collaborate closely with internal and external teams
- Conduct advanced statistical analysis to provide actionable insights, identify trends, and measure performance

Other Skills Required:

- Proven industry experience as a Data Scientist or a Data Analyst
- Experience in Data Mining/Data Engineering
- Understanding of Data Science Concepts, Statistics, Machine Learning Techniques, Business Analytics/Predictive Analytics, Tools and Technologies
- Knowledge of Python, PySpark, R, and SQL or other languages/technologies for performing complex data modelling and analysis: familiarity with Scala or Java is an added advantage
- Experience in using Business Intelligence Tools (e.g., Power BI) and data frameworks (e.g., Hadoop/Spark Data Lake)
- Analytical mind and business acumen
- Strong mathematical skills (e.g., Statistics, Probability Theory and Algebra)
- Strong problem-solving skills
- Strong leadership skills
- Excellent communication and presentation skills

An attractive remuneration package, coupled with a modern and conducive work environment, awaits the right candidate.

Please visit www.sampath.lk and apply online, stating qualifications and experience, on or before the **16th of June 2023**.

Selection will be strictly on merit. Any form of canvassing will be a definite disqualification. Only shortlisted candidates will be contacted.
