

# Calling for applications to recruit a Research Assistant (RA)

## Institute for Combinatorial Advanced Research & Education (KDU-CARE)

General Sir John Kotelawala Defence University (KDU), Ratmalana

Applications are invited from prospective candidates for a Research assistantship (RA). The project will comprise determining the effect of several anti-cancer formulae using various laboratory methods including cell culture. The chosen RA will be trained to conduct all lab experiments. The period of the project is one year. The RA will be paid a stipend of 25,000 LKR per month for the duration of the project.

### Candidate Requirements:

- The candidate is expected to have a BSc degree in Biomedical sciences/Biological sciences, with a First Class or Second Class Upper/Lower Division from a recognized University
- The candidate should be extremely self-motivated and have a strong interest to conduct laboratory research including cell culture
- The candidate should be a very good team player and should have good oral and written communication skills
- The candidate should be able to start the project from the beginning of July 2023

### Application Deadline:

Please email: a personal statement explaining your suitability for the RA position, along with your CV with two references to '[kducareratmalana@gmail.com](mailto:kducareratmalana@gmail.com)' on or before **22/06/2023**.

Only shortlisted applicants will be contacted for an interview.
