

About us

SriLankan Airlines Ltd (SLA), the national carrier of Sri Lanka operates with a network of destinations throughout Asia, the Middle East, Europe and Australia. The airlines has a strong presence in Maldives and Southern India. SriLankan is a member of the 'oneworld' alliance.

Job Description

We are poised to reach new heights in the days and months to come. The national carrier is now preparing to add wind beneath its wings with the right people.

This opportunity is uniquely presented to those who aspire for a fascinating career in **Aeronautical Engineering / Aircraft Maintenance**. It is a unique opportunity for you to assail joining a vivacious and dynamic Airline Family through this Engineering Graduate Training Program.

Requirements

Fully Completed Bachelors or Master's degree (preferably with a class) in Engineering from a recognized university (UGC approved) or equivalent recognized professional qualification (IESL or EC (UK)) in **Aeronautical, Aerospace Engineering or Aircraft Maintenance**.

The Program will provide the driven, ambitious, and determined individual/trainee with maximum wholesome technical and airline management skills, at floor and corporate level, which will enable all our trained personnel with the fullest capabilities of being an efficient and productive part of the SriLankan family.

You will undergo a training program which will span over three year period. The training program will develop and prepare you for the career as an Aircraft Engineer.

- Candidates should be aged between **21 to 28** years as at **07th September 2023**
- Candidates who excel at the selection process will be offered a training contract.
- At the end of two years, upon successful completion of the training contract, candidates will be offered employment as Executives.
- At the end of the third year, after fulfilling the required eligibility criteria accepted by the organization, you will progress to Aircraft Engineer grade.

If you think you've got what it takes to be a part of the national carrier of Sri Lanka, we are waiting to hear from you.

Influencing will not have any bearing on the selection process, which will be purely based on performance and merit
