

Sampath Bank

WE PRESENT YOUR FUTURE

DATA SCIENTIST

For over thirty years we have defined the trends in retail and commercial banking, growing into one of the most forward-thinking banks in the country. Today, we take great pride in our offering of progressive, state-of-the-art banking solutions, which zealously maintain Sri Lankan values. We believe that our innovative spirit and our dynamic Sampath Team are the twin forces that drive our success.

REQUIREMENTS:

- Bachelor's Degree / Master's Degree in Data Science / Statistics / Big Data Analytics / Information Technology or equivalent from a recognised university
- A minimum of two (02) years industry experience in the BI field as a Data Scientist or Data Analyst
- Knowledge of Python, PySpark, R, and SQL or other languages / technologies, for performing complex data modelling and analysis; familiarity with Scala or Java

KEY RESPONSIBILITIES:

- Managing and planning end-to-end, in-house analytics and data science projects
- Building analytics and predictive models and systems by ensuring data quality, integrity, and the bank's best practices
- Managing, guiding and developing a data science team to accomplish the bank's strategic objectives
- Managing data science related third party outsourced projects and co-ordination with all stakeholders
- Collaborating closely with internal and external teams
- Conducting advanced statistical analysis to provide actionable insights, identify trends, and to measure performance

OTHER SKILLS REQUIRED:

- Proven industry experience as a Data Scientist or a Data Analyst
- Experience in data mining / data engineering
- Understanding of Data Science Concepts, Statistics, Machine Learning Techniques, Business Analytics / Predictive Analytics, Tools and Technologies
- Experience in using business intelligence tools (Power BI) and data frameworks (Hadoop / Spark Data Lake) will be considered an advantage
- An analytical mind and business acumen
- Strong mathematical skills (Statistics / Probability Theory / Algebra)
- Strong problem-solving skills
- Strong leadership skills
- Excellent communication and presentation skills

An attractive remuneration package, coupled with a modern and conducive work environment, awaits the right candidate. Please visit www.sampath.lk and apply online, stating qualifications and experience. Selection will be strictly on merit. Any form of canvassing will be a definite disqualification. Only shortlisted candidates will be contacted.
