Ministry of Irrigation
Project for Strengthening Climate Resilience Of
Subsistence Farmers and Agricultural Plantation Communities of the
Knuckles Mountain Range (GCF- Knuckles Project)
Recruitment of Project Staff
Period of Five Years (Up to 2028)

With the aim of strengthening the resilience of agricultural, rural, and estate communities in the Knuckles Mountain Range area against climate change impacts, the GCF Knuckles Project—implemented under the Ministry of Agriculture, Livestock Development, Irrigation, and Water Resources Management is also committed to promoting sustainable land management within its project area.

To achieve the above objectives the project operates in 46 Divisional Secretariat Divisions across the Matale, Kandy, Kurunegala, Puttalam, and Anuradhapura districts, covering critical watersheds, rivers, and agricultural communities within the Central, North Central, and North Western Provinces. The intervention seeks to ensure the sustainable livelihoods of these communities.

Moreover, through a public participation approach, the project contributes to improving sustainable land and water management practices, establishing innovative financing mechanisms, and strengthening institutional capacities for long-term sustainability. This is done in collaboration with key stakeholders such as the GCF, ICRAF, and IUCN, along with numerous government and private sector institutions.

Funded primarily by the Green Climate Fund (GCF) with a contribution of USD 39.7 million and an additional USD 9.2 million from domestic sources, the project is scheduled to run across the five districts until 2028.

Applications are invited from qualified Sri Lankan citizens to fill the following vacancies under this project, which will be implemented in three district-based Project Implementation Units. Recruitment will be carried out on a contractual basis in accordance with Management Services Circular No. 01/2019, and payments will be made according to the provisions in Circulars 01/2019 and 03/2016 of the Ministry of Public Administration.

Upon the issuance of the 2025 circular related to project staff payments by the Department of Management Services, payment revisions will be made accordingly.
