

## MINISTRY OF DIGITAL ECONOMY

### Ready to Make the Leap into the Thriving Digital Economy?

The Ministry of Digital Economy (MoDE) is at the forefront of Sri Lanka's technological transformation, driving innovation, development, and growth through strategic digital initiatives. The Digital Economy Blueprint has been established to provide a comprehensive framework for enabling Sri Lanka's Digital Economy. The Ministry of Digital Economy (MoDE) has established a Project Management Unit (PMU) with the approval of the Cabinet of Ministers to strengthen the effective implementation of the Digital Economy Blueprint. MoDE is seeking highly skilled and experienced professionals for short-term employment contracts to support key focus areas, including Digital Government, Digital Industry, Digital Economy, Strategic Industries, and Capacity Building.

### Why is this an Opportunity for You?

- Be part of a groundbreaking initiative to enable Sri Lanka's digital economy.
- Collaborate with top-tier professionals in the digital space.
- Play a pivotal role in shaping the future of the nation's technological landscape.
