

MANAGER – QUALITY ASSURANCE

Litro Gas Lanka Ltd is a trusted national brand with a proud 150 year heritage in business, leading Sri Lanka's LPG market with over 80% market share. Our products are essential to the daily lives of millions of Sri Lankans, and we ensure uninterrupted supply through the widest and most robust island-wide distribution network in the country.

We are looking for a result-oriented self-motivated male/female to join our team for the above position.

Key Responsibilities:

- Lead and enhance ISO-compliant Quality Management Systems (QMS) across the Terminal and Filling Plants.
- Ensure compliance with SLS and international standards related to LPG storage, bottling, transportation, and safety.
- Supervise daily quality control operations including sampling, leak testing, calibration, and inspections.
- Manage internal and external quality audits, including follow-up and implementation of corrective actions.
- Address customer complaints through thorough root cause analysis and process improvement.
- Coordinate with SLSI and other regulatory bodies to maintain certifications and legal compliance.
- Promote a culture of continuous improvement and ensure safety, quality, and compliance in across all Litro operations.

Candidate Profile:

- UGC Approved Bachelor's Degree in Chemical Engineering, Mechanical Engineering, Process Engineering, Chemistry or in a related field.
- Professional certification in ISO QMS or any QA related professional qualification.
- Minimum 5 years of industry experience preferably in a plant environment, including 3+ years in a managerial or senior QA role.
- Strong knowledge of HSE and Quality procedures, quality management Systems in a plant environment is preferred.
- A Master's degree would be an added advantage.
- Strong leadership, communication, and analytical skills.
- Age below 45 years.

An attractive remuneration package and career advancement opportunities await the right candidate.
