

Be a part of our **GROWTH STORY**

Engineer Facilities & Building Maintenance

LRE: PROJECT AND BUILDING MAINTENANCE

You should ideally:

- Have a minimum of 10 years of experience in facilities management, technical services, or building maintenance, with at least 3 years in a supervisory or managerial role.
- Possess strong technical knowledge and hands-on experience in HVAC systems, electrical infrastructure, generators, UPS, and building services.
- Demonstrate proven ability to manage teams, contractors, and multiple locations effectively.
- Have strong leadership, communication, and problem-solving skills, along with the ability to interpret technical drawings and engineering documentation.

You will be responsible for:

- Planning, managing, and overseeing the operation and maintenance of building infrastructure and technical systems across branches and corporate premises.
- Ensuring effective maintenance of critical systems including HVAC, electrical panels, standby power, UPS, fire detection, CCTV, access control, plumbing, and civil works.
- Developing and implementing preventive maintenance plans and technical standards.
- Managing technical teams, technicians, and external contractors to ensure service quality and compliance with safety standards.
- Overseeing technical aspects of new projects, refurbishments, and branch fit outs, including design review, installation, and commissioning.
- Preparing budgets, managing costs, supporting procurement processes, and maintaining technical documentation, asset registers, and performance reports.

We are an equal opportunity employer, committed to promoting an inclusive and diverse environment. Recruitment to the Bank is based solely on merit and competency irrespective of other characteristics that make our employees unique. Any form of canvassing is discouraged. Correspondence will only be with the short-listed candidates.

Please apply via e-mail by sending an updated CV or a DFCC Bank application form which could be downloaded from our website to recruit@dfccbank.com with the post applied for in the subject by 06th March 2026.
