

JOIN THE MOST AWARDED BANK IN SRI LANKA INFORMATION SECURITY OFFICER

With an enduring vision of being the most technologically advanced, innovative and customer friendly financial organization, we, the Most Awarded Bank in Sri Lanka, continue to progress steadily while being the first Sri Lankan bank to be listed amongst the Top 1000 Banks in the World.

Our unparalleled record of success is supported by an unmatched suite of digital offerings and superior standards in service, stability and performance. We are poised to ascend to even greater heights in the near future.

ROLE OVERVIEW

We're looking for a high-impact Information Security Officer to lead and strengthen the security posture of our fully owned subsidiary, a Licensed Finance Company. This role is recruited under the Bank and assigned to the subsidiary, with strong exposure to Group-level strategy, governance, and leadership.

JOB PROFILE

- Design, implement and continuously enhance the ISMS while executing the security strategy aligned to business priorities and regulatory expectations.
- Develop and maintain policies, standards, baselines and procedures.
- Ensure full compliance with applicable laws, regulatory and compliance requirements (including CBSL Directions) and internal standards. Support audits and regulatory examinations.
- Own the end-to-end information security risk management programme, including vulnerability management, security testing and remediation tracking.
- Oversee SOC outputs by validating alerts and incidents, ensuring effective response, recovery and control strength through a robust incident management framework.
- Drive and deliver key information security initiatives (eg: DLP).
- Foster a strong security culture across the organization.
- Collaborate closely with the Group CISO to ensure consistent control implementation.

Successful candidate will be provided with an attractive remuneration package, commensurate with benchmarked financial institutions.
