

Our client, a specialized Bank listed under the Securities & Exchange Commission of Sri Lanka, with an island-wide branch network, is calling for applications from dynamic and result-oriented professionals with extensive exposure to the Banking & Finance industry to provide strategic leadership in Finance and Corporate Planning, driving sustainable growth and organizational performance.

## **DEPUTY GENERAL MANAGER - FINANCE & STRATEGIC PLANNING**

### **Job Profile**

- Overall supervision of the Finance Division and Back Office functions of the Treasury Department.
- Ensure all transactions of the Bank are properly accounted for, duly complying with applicable accounting standards and other regulatory requirements such as CBSL, CSE, internal policies and procedures, etc.
- Provide technical finance expertise and guidance, develop relevant policies and procedures and review them periodically.
- Build and maintain sound rapport with stakeholders while overseeing tax-related functions and liaising with the Department of Inland Revenue, ensuring all statutory payments are made on time.
- Preparation and driving of the Budget, Action Plan and Strategic Business Plan and submission for the approval of the Board of Directors. Monthly follow-up should be conducted in order to achieve the goals, objectives and financial targets of the Bank.
- Managing costs, driving profitability, ensuring viability through risk management and capital planning and promoting sustainability through long-term financial planning and ESG integration.
- Provide all information required by external parties and Management in a timely manner.
- Preparation of the Annual Report and publishing of Financial Statements as per statutory requirements.
- Assist in formulating the Bank's future development and tactical initiatives.
- Develop performance measures that support the Bank's strategic direction.
- Handle all tax payment processes and ensure compliance with statutory payment requirements and relevant CBSL and CSE guidelines.
- Negotiate with external and internal auditors, implement audit recommendations, and facilitate annual or other financial audits, along with any other duties assigned by the Management.

### **Candidate Prerequisites**

- A full professional qualification obtained from a recognized professional Accounting body (e.g. CA, ACCA & CIMA).

### **Added Qualifications**

- A Bachelor's Degree in Accounting, Finance or Banking.
- A Master's in Banking, Business Management, Finance or any other relevant discipline obtained from a local or foreign university recognized by the UGC.
- Should have worked as a "Key Management Person".  
with
- 5 Years post-qualifying experience, out of which 03 years should be at Senior Executive Management level in a Bank or Licensed Finance Company.
- Between 35 years to 55 years of age as at the closing date of applications.

### **Remuneration**

- An attractive remuneration package awaits the right candidate.
