

Security Supervisor

Litro Gas Lanka Ltd is a trusted national brand with a proud 150 year heritage in business, leading Sri Lanka's LPG market with over 80% market share. Our products are essential to the daily lives of millions of Sri Lankans, and we ensure uninterrupted supply through the widest and most robust island-wide distribution network in the country.

We are seeking disciplined, responsible, and highly motivated individuals to join Litro as Plant Security Supervisor/s to oversee the day to day security operations of our Cylinder Filling Plants in Kerawalapitiya & Mabima under the direction of the Security Manager.

Key Responsibilities:

- Supervise and coordinate the day to day security operations of the assigned Cylinder Filling Plant.
- Oversee and manage the third party security service provider and ensure that all deployed security personnel perform their duties in accordance with company policies, security procedures, and contractual requirements.
- Monitor the attendance, deployment, discipline, appearance, and performance of outsourced security personnel and report any deficiencies to the Security Manager.
- Ensure effective implementation of company security policies, procedures, and instructions by the Security Manager.
- Ensure adequate security coverage and supervision across all shifts to support plant operations.
- Monitor and control the entry and exit of employees, contractors, visitors, vehicles, cylinders, and company assets.
- Conduct routine patrols and inspections to safeguard plant premises, buildings, equipment, and company assets.
- Maintain visitor registers, vehicle movement records, gate passes, and other security documentation.
- Report security incidents breaches of security, and safety concerns promptly and assist in investigations where required.
- Coordinate with Plant Operations, HSE, and other departments to maintain a safe and secure working environment.
- Assist in emergency response activities, fire drills, and incident management in accordance with company procedures.
- Perform duties on a rotating shift basis, including night shifts, weekends & holidays, to support plant operations.
- Perform any other duties assigned by the Security Manager or Management.

Candidate Profile:

- Minimum 10 years' experience in industrial, military, or corporate security management, preferably within the petroleum, energy, or manufacturing sectors.
- Good knowledge of security procedures, access control, emergency response, incident reporting, and contractor supervision.
- A retired personnel from the Armed Forces/Police or similar background will be an added advantage.
- The selected candidate/s must not have been found guilty for any criminal offence in any court of Sri Lanka, nor removed from the Armed Forces/Police due to disciplinary reasons.
- Good leadership, communication and interpersonal skills.
- Basic computer literacy (MS Word, Excel, and email) will be an added advantage.
- High level of integrity, discipline, professionalism, and sound judgment.
- Age below 45 years.

An attractive remuneration package await the right candidate/s.
