

The Next Chapter Begins With You.

The Colombo Stock Exchange (CSE) is seeking a visionary Chief Executive Officer to guide the CSE into the next phase of growth and innovation and position the stock exchange as a leading financial marketplace that supports economic growth and offers robust opportunities for its stakeholders.

CHIEF EXECUTIVE OFFICER

The Colombo Stock Exchange (CSE) has evolved into a cornerstone of Sri Lanka's financial landscape, serving as a trusted platform for capital formation and investment. Committed to the highest standards of transparency, good governance and market integrity, the Exchange has earned the confidence of both local and international investors. By facilitating access to capital, fostering investor confidence and promoting sustainable economic growth, the CSE continues to play a pivotal role in advancing Sri Lanka's capital markets and creating long-term value for all stakeholders.

As an equal opportunity employer, the CSE fosters an inclusive, high-performance workplace where diversity is valued, excellence is recognized and merit drives opportunity, empowering talented professionals to lead, innovate and thrive.

Key Responsibilities:

- Develop and execute visionary strategies to establish Sri Lanka as an emerging equity market and enhance the CSE's market position, driving sustainable growth.
- Foster strong relationships with market participants, regulatory bodies, government entities and other key stakeholders to promote collaboration and mutual success.
- Ensure compliance with all regulatory requirements and uphold the highest standards of governance and transparency.
- Develop a diverse and innovative product portfolio that meets evolving stakeholder needs and drives additional revenue streams.
- Position the CSE as a foremost venue for capital raising.
- Embrace technological advancements and innovative solutions to modernize trading and post trade platforms, enhance market efficiency and risk management and improve the overall investor experience.
- Establish the CSE as a high-performing entity with strong profitability and efficient capital use for sustainable growth and long-term success.
- Build and inspire a high-performing team, fostering a culture of accountability, innovation, and continuous learning.

Qualifications & Experience:

- A Bachelor's degree from a recognized University and a professional qualification from a recognized educational institute. A Master's degree would be an advantage.
- Proven track record of executive leadership in the financial services industry, with prior exposure to capital markets, investment banking or related sectors.
- Deep understanding of global financial markets, regulatory frameworks and emerging trends.
- Exceptional strategic thinking, decision-making and communication skills.
- Demonstrated ability to cultivate strong relationships with diverse stakeholders and navigate complex environments.
- Passion for driving and implementing transformative initiatives.

An attractive remuneration package, in line with industry standards, is being offered to the right candidate.

If you are ready to embrace this challenge and lead the Colombo Stock Exchange to new heights, we would want to hear from you!
