

LEAD – BASE OIL TERMINAL

Chevron Lubricants Lanka PLC the market leader in the local lubricant industry, an employer of choice and part of the global energy giant - Chevron Corporation, USA., has the following career opportunity in our Base Oil Terminal (BOT) located in Mutwal.

The Job Role:

You will lead Base Oil discharging operations from port to manufacturing plant. This entails Base Oil transfers from Port to BOT and from BOT to manufacturing plant via tank trunks. The role will be responsible for liaising with Production teams to receive Base Oil tankers at the Port, liaise with independent surveyors for Base Oil tanker discharging whilst ensuring sufficient ullage based on parcel size, conduct physical verification of stocks at numerous points of dispatch such as the tanker and the BOT, coordinate with Base Oil Operator to carryout daily tank measurements in accordance with Chevron guidelines, ensure accuracy of documentation and security checks prior to Base Oil transfers and issuance of Work Permits for numerous maintenance activities within the BOT.

Requirements:

- Minimum 3 passes at A/L Examination (preferably Maths/Science Streams) OR have passed O/L Examination coupled with a Vocational Training Qualification from a reputed institution (NAITA, VTA, DTET, NYSC, CGTTI, SLTTI).
- Minimum 1-2 years of experience in a plant/manufacturing environment.
- Demonstrate good interpersonal skills having worked in a prior team environment.
- Working knowledge of English and computer literacy.
- Job includes work at height. Candidates maybe medically tested to ensure required levels of fitness/endurance to perform duties of the role.

Additional Requirements:

- Knowledge of Operational Excellence and Quality Management Systems.
- Prior experience in Petroleum industry or a related discipline.

Position entails a competitive remuneration package with attractive bonus schemes , offering the selected candidates an opportunity to work with a giant in the Energy industry, while gaining exposure to cutting edge technologies of a modern manufacturing environment best known for its track record of safe and reliable operations.

If you meet the above criteria, please visit **www.chevron.lk** to submit your application on or before **27th August 2026.**
