

“Healing with feeling”

For over four decades, Nawaloka Hospitals PLC Colombo has been a pioneer in healthcare in Sri Lanka, renowned for professionalism, technological innovation, and exceptional patient care. As we continue to expand our services, we invite applications from qualified and experienced professionals to join our team.

Resident Consultant Obstetrician & Gynaecologist (Full-Time)

Requirements

- Board-Certified Consultant Obstetrician & Gynaecologist with certification from the Postgraduate Institute of Medicine (PGIM), Sri Lanka, or an equivalent qualification recognized by the Sri Lanka Medical Council (SLMC).
- Minimum 10 years' experience as a Consultant in the relevant specialty.
- Experience in Assisted Reproductive Technology (ART), including IUI, IVF, and related fertility treatments, will be a distinct advantage.
- Excellent communication and interpersonal skills with a strong commitment to patient-centered care.
- Should serve exclusively at Nawaloka Hospitals PLC.

What We Offer

- A competitive remuneration package in line with industry standards.
- Attractive fringe benefits.
- The opportunity to work in one of Sri Lanka's leading private healthcare institutions.
