

SOUTH EASTERN UNIVERSITY OF SRI LANKA

CORRIGENDUM TO ADVERTISEMENT

POST OF WORKSHOP ENGINEER, GRADE III

With reference to the advertisement published in the Daily News, Thinakaran and Dinamina newspapers on 01.09.2026 calling for applications for the above post, it has been noted that the qualifications prescribed for the post were inadvertently stated incorrectly.

Accordingly, the qualifications for the post of Workshop Engineer, Grade III shall be as follows:

- (a) A B.Sc. Engineering Degree specializing in Mechanical Engineering or Production Engineering from a recognized University/Higher Education Institution;
OR
- (b) A National Diploma in Technology (NDT) specializing in Mechanical Engineering or Production Engineering, or an equivalent qualification, together with at least seven (07) years of experience in a Mechanical Workshop of a recognized establishment.

Note : The period of in-plant training shall not be considered as experience for the purpose of satisfying the above requirement.

All other qualifications, terms and conditions stipulated in the original advertisement shall remain unchanged and continue to apply.

The revised/full text of the advertisement is available on the official website of the South Eastern University of Sri Lanka : **www.seu.ac.lk/vacancy/**
