

ASSISTANT MANAGER –
CARD CENTRE PRODUCT
MANAGEMENT

JOIN THE MOST RESPECTED BANK

Where your career grows, your work creates impact,
and you become your best self.

Job Description :

Maximize overall portfolio growth and revenue by increasing credit card advances, credit line utilization, net fee income, and interest yield.

Execute targeted growth initiatives including cross-border travel campaigns, CASA-linked debit card spend, and segmented BTL promotions for dormant, low-active, and high-value cardholders.

Accelerate digital adoption by promoting Google Pay mobile wallet enrollment, contactless payments, and regional JCB/LankaPay network usage.

Maintain full compliance with Central Bank regulations, card scheme rules (Visa, Mastercard, LankaPay, JCB), AML/KYC guidelines, internal SOPs, and audit requirements.

Who we're looking for :

Minimum 5 years of experience in Banking Operations, Card Operations or the Fintech Industry

Bachelor's degree in Business Administration, Finance, Banking, Information Technology, or a recognized equivalent qualification.

At least 3 years of direct experience in card product management, card scheme integrations (LankaPay), or digital wallets / contactless payment implementations (Google Pay).
