**Where your career grows, your work creates impact,
and you become your best self.**

Job Description :

Canvass new business opportunities and grow the portfolio book value across assets, liabilities, and FX income.

Manage a portfolio of 200-250 relationships and ensure continuous growth.

Develop a deep understanding of clients' financial needs, objectives, and risk appetite to offer innovative wealth management solutions.

Strong expertise in financial planning, with the ability to identify customer needs and deliver tailored solutions that align with their requirements.

Who we're looking for :

Bachelor's Degree in Marketing, Finance, or related field from a recognized university.

Full professional qualifications in Banking, Marketing, Finance, or a related field are an added advantage.

Minimum 8 years of experience in front-line customer service roles, with strong relationship management skills, including exposure to managing ultra-high-net-worth segments in priority banking.
